Holland Mass. May 30 1847

Mr. Garrison

Dear Sir I was at Malboro Chappel  
on Thursday of last week & heard your remarks on  
the fallen condition of the Churches, their Corruption &c.  
In your remarks I was deeply interested, & my object  
in writing to you is to enquire if there is any printed  
copy of them either in Newspaper or Pamphlet for  
I want to read them, for I believe them to be true  
and I wish they could be stereotyped on every  
heart in the Old Bay State

If your remarks in the Morning and the remarks  
of Theodore Parker in the afternoon are published  
Will you please send me a copy of them by  
Mail to Holland Mass.

The cause in which you are engaged is a good one  
and I rejoice that a few have buckled on the whole  
armour of God and are devoting all their energies  
to the Cause of Moral Reform

But the cause appears to me to be a hopeless  
one - I have no encouragement either from  
the Word of the Lord or from the Signs of the  
times in which we live to look for any better  
State of things but on the contra Wicked Men  
Will Wax Worse & Worse the Church become more  
degenerate untill the Lord comes and dashes  
the Nations of the Earth, then shall the

Kingdoms of this World become the Kingdoms  
of our Lord and his Christ and he will reign  
forever & ever & then will the Mother of abom-  
inations be cast down then will the Mother  
of Harlots together with her Daughters receive  
their just recompence of reward, then  
will the chains of the poor Slave be broken  
then will be ushered in an Universal Brother-  
hood, and love will be without dissimulation  
the Earth shall bloom again with Eden beauty  
the Graves of the Saints Spoils, Abraham Isaac &  
Jacob with all the hosts of Gods Elect shall  
come again from the Land of the enemy clothed  
with immortality to die no more, Oh bro.  
this will be a Moral Reform that will be  
Worth laboring & dying for; but I do not expect  
to see any reform for the better until the fires  
of the last day 2 Peter 3 Chap. and God shall  
arrive to shake terribly the earth

Yours &c  
Horatio N. Drake
